Our Product Introduction

Silicone Cable Management Organizer Features

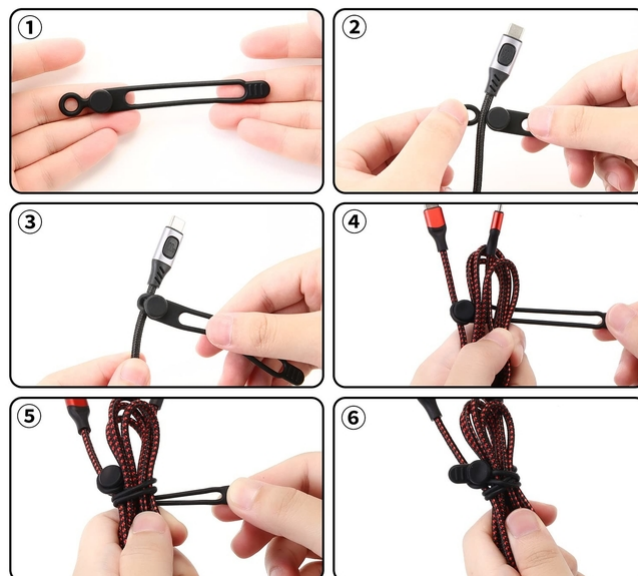

- **SILICONE MATERIAL AND MULTI-FUNCTION** Our ties are made of high-quality silicone, which brings us elasticity, wear resistance, easy-to-clean surface and ability of reusing. These excellent characteristics make our ties widely used. In addition to organize cables, they can also be using to seal pocket snacks, tie the umbrellas without straps, and even secure your hangers in the strong wind.
- **THOUGHTFUL DESIGN** Our Cable Strap with a round hole design, not only can put all kinds of thick and thin wires, convenient storage, but also can hang up the tied wire to save space. Moreover, the design of buckle makes our cable straps easier to open and close quickly, and they don't come off easily.
- **SPECIAL SIZE FOR USING AND CARRYING** This cable tie with 4.2-Inch length is unexpectedly suitable for earphone cable, data cable, mouse cable, audio cable, network cable and more. The size and the weight are small and light enough to carry away without any burden.
- **SUFFICIENT QUANTITY AND MULTICOLOR** 24pcs in a pack, enough to get you through all the clutter in your life without any fear of loss. It also come up with multiple colors, which can bring you a classification of different cables. 4 colors in black, white, pink, and green provide you more choices in home, office, kitchen, school etc.

Silicone Cable Management Organizer Details

- **Premium Material** The reusable cable ties are made of high quality silicone material, soft and flexible, durable, easy to clean and reusable, high elasticity can stretch up to 2.5 times the length of the product.
- **Flexible Design& Reusable** The wire management organizer is button design, can be opened and fastened quickly without worrying about falling off, It can be reused and will not be wasted!
- **Wide applicability** Silicone cord ties all kinds of headphone cables, TV cables, computer cables and usb cables, You can also bundle food bags, curtains, umbrellas and other living items for easy storage. You can also hang up bundled items to save more space.
- **Safe and convenient** Since the silicone is very soft and has no sharp edges, there is absolutely no need to worry about the items you want to tie being damaged, and it is small, lightweight, stylish and bright, using it will make your living area more comfortable.
