Product Description

Silicone Wristband Watch Band Kids/Adults Anti-lost Bracelet for AirTag

Silicone AirTag Bracelet Description

The kids airtag bracelet features a full-cover designed with a round protective lid. This design make airtag wristband water resistant fit for using it when playing in the pool or on the beach (Can be used for waterproof in life, NOT be immersed in water long time). This watch band will protect your Air Tag from dust and water. The wearable kids airtag wristband is made of skin-friendly soft silicone material, the highly elastic wristband is lightweight, breathable and washable, and will not cause discomfort when worn throughout the day. Secure your Air Tag no matter what activity you do while wearing it! The full coverage design will not affect the signal of the Air Tag and the connection is smooth. Parents and carers can keep their children and elderly safe.
