Product Description

Silicone Wristband Full Case Cover for Apple Airtag Holder Anti-Lost Watch Band Hidden Accessories for Child

Silicone AirTag Wristband Description

The kids airtag bracelet features a full-cover designed with a round protective lid. This design make airtag wristband water resistant fit for using it when playing in the pool or on the beach (Can be used for waterproof in life, NOT be immersed in water long time). This watch band will protect your Air Tag from dust and water. The wearable kids airtag wristband is made of skin-friendly soft silicone material, the highly elastic wristband is lightweight, breathable and washable, and will not cause discomfort when worn throughout the day. Secure your Air Tag no matter what activity you do while wearing it! The full coverage design will not affect the signal of the Air Tag and the connection is smooth. Parents and carers can keep their children and elderly safe.

Silicone AirTag Wristband Specification

Silicone AirTag Wristband Features

- **Compatibility** Looking for a reliable way to protect and track your AirTag? Look no further than our bracelet case for AirTag! Made of high-quality silicone, skin-friendly, and hypoallergenic. With its sturdy and durable design, can provide excellent protection against scratches, bumps, and falls, ensuring that your AirTag stays safe and secure at all times.
- **Waterproof Design** Our wristband for AirTag features a brand-new design with a sealed cover on the back of the strap that provides protection against water, making it suitable for use on the beach or by the pool, making it operate normally. The case holder is incredibly easy to install, allowing you to attach it to your bracelet in seconds. Its adjustable design fits most wrist sizes.
- **Hidden Sealed Design** But that's not all - the AirTag accessory also features hidden anti-loss protection, can securely hold the AirTag on the wrist to ensure it doesn't get lost or fall off, allowing you to track your belongings or kids wherever you go. So whether you're going for fitness, running, traveling, or family outdoor recreation, you can rest easy knowing that your AirTag and belongings are safe and secure.
- **Stylish Appearance** The GPS Tracker Case for AirTag with a stylish and trendy appearance, including cool color options that are popular among kids, adding a fashion statement to their outfit while also enabling efficient tracking in crowded or outdoor areas. The wristband size of 8.7*1.4IN, weighing 0.6OZ, wrist size suitable for 5-7 inches, and is ideal for kids to wear comfortably.

Silicone AirTag Wristband Details

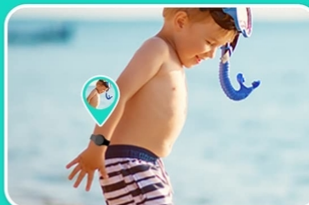

- **Precise Design for Airtag** Airtag bracelet are specially designed for Apple Airtag. For kids only. The bracelet has a silicone round cover to cover the Airtag to better protect your Airtag from damage. The waterproof level is ordinary life waterproof. If the wristband is splashed with water, wipe it dry without affecting the use of Airtag. **Warning:** Do not soak the bracelet with Airtag in water, this will damage the Airtag.
- **Fit and Comfortable** The Airtag waterproof bracelet is made of high-quality liquid soft silicone material. The wristband is designed with a special buckle, which can be freely adjusted for a comfortable position, keeping your Airtag tightly on your wrist without slipping off. The waterproof Airtag holder full case cover is perfect for children and toddlers, it is very lightweight and skin-friendly, and it can give kids a comfortable wearing experience.
- **Multifunctional All-round Protection** The Airtag wristband features a full-coverage design that encloses the Airtag in a protective case. It has better anti-drop, anti-shock, anti-scratch, anti-sweat, anti-fingerprint, easy to clean and other effects. The full-coverage design achieves better water resistance, especially if the Airtag watch band is splashed with water when the child washes their hands, it will not damage the Airtag inside. Keep your Airtag up and running and looking new.
- **Easy to Install & Remove** The Apple Airtag holder bracelet is soft and flexible, can be quickly installed and removed, will not be easily deformed, light weight, can be washed and reused. The full coverage design also won't affect the Airtag's signal, and is a good anti-lost GPS tracker hidden accessories at the same time. Wristbands in multiple colors can better decorate Airtag and bring different surprises to Kids.
