Product Description

BPA Free Microwave Dishwasher Freezer safe Silicone Food Storage Containers With Lids

Silicone Food Storage Containers Description

These hard-shell food grade silicone storage containers are multipurpose and made to last. Use them to store, freeze, microwave and bake. They're ideal for leftovers, lunch, camping, and snacks. And get this, they're dishwasher safe and have an innovative space-saving nesting design. For ease of use and mind, our silicone containers for food storage are made in South Korea using premium food-grade silicone that is free of BPA, PVC, Latex and Phthalates. We designed our hard-shell reusable storage containers to reduce waste and save space. They are freezer-safe to help you store leftovers longer. They block light, form an airtight seal to keep smells and items fresh, and are rectangular, stackable, and nesting to save space.

Our Product Introduction

Silicone Food Storage Containers Features

- **FOOD GRADE SILICONE** Annaklin silicone food containers with lids are made of premium food-grade silicone-BPA, PVC, latex, and phthalate-free—no trace of plastic, even in the lids. These silicone storage containers are not only lightweight and unbreakable but also effortlessly easy to clean, making them a reliable, reusable, and thoroughly safe choice for your family's food storage needs.
- **NEST & STACK** These food storage silicone containers are ingeniously crafted to optimize your space. Stack them in your freezer to make the most of vertical storage, and nest them away when not in use. A fantastic solution for saving space. Rectangular Capacity: 13.5/ 23.6/ 37fl.oz; Round Capacity: 10/ 18.5/ 30.4fl.oz. Different shapes and sizes meet all your daily food storage needs.
- **AIR FRYER & MICROWAVE & FREEZER & OVEN & DISHWASHER SAFE** Temperature resistance of these silicone lunch box containers with Lids is -4°F~392°F / -20°C~200°C. Microwave Freezer safe and even Air Fryer and Oven safe. Perfect for storing, reheating, freezing, and baking—ideal for leftovers, lunch, camping, snacks and bread. Dishwasher Safe. Just pop them in the dishwasher top layer when you are done for hassle-free cleaning.
- **MEASURING LINES** Elevate your kitchen experience with our silicone containers for food featuring built-in convenient volume measuring marks inside the walls. Effortlessly measure ingredients and portion meals, ensuring precision in your daily cooking and storage routine. Simplify your life with smart design!
- **LEAK PROOF** Crafted entirely from premium silicone and adopting a unique sealing method, the lid securely attaches to the containers, guaranteeing a leak-proof seal that preserves your food's freshness for an extended period. The firm yet flexible silicone construction is built to last.
