Silicone Ice Cube Trays With Lid And Bin Details

- Easy to Release: This ice cube trays are made of plastic which makes small round ice cube easier to release with simple twist.
- Easy to Use: The round ice cube mold consists of one tray and a lid with small holes. Just pour about 300ml of liquid into the tray at one time and close the lip. Than put the mold into the freezer for 4 hours, you can get 1 inch x 33pcs sphere ice balls. (2 trays can produce 66pcs balls at one time)
- Approved Material: Our ice cube molds are made of high quality food-grade material. BPA free, no smell, no toxic. Safe and durable.
- Ice Ball Container&Scoop: Each ice cube maker set comes with two trays, one 10.0X6.3x3.8 inches container which can hold 200pcs ice cube balls, and a Mini scoop. This Ice cube set is perfect for a summer party.
- Wide Application: Perfect for whiskey, cocktails, coffee, infusing fruit or herbs. Try infusing mint for that perfect Mojito or strawberries for that delicious lemonade.
- No Odor from Freezer: Choose ice tray with plastic than silicon to stay away from the odor. Plastic ice tray with lid protect ice from odor from the freezer. Silicon ice trays absorbs the odor and hard to remove the odor.
