Product Description

Ice Cube Tray with Lid and Bin for Whiskey Cocktail, Tea, Coffee

Silicone Mini Ice Cube Trays Description

Silicone ice cube tray adopted a new bottom structure design, it is separate for each grid, this makes it easier to release ice cubes than other smooth-bottomed ice trays. Warm Tips The small ice cube maybe difficult to roll out when it is just taken out of the refrigerator, please wait for 2 minutes then to get the ice out. Small ice trays are made of food grade silicone material, you can rest assured to use the tiny ice cube tray without any worries. It can be used in the freezer, microwave and dishwasher, which makes the way we use it safer and more convenient!

Silicone Mini Ice Cube Trays Features

Our Product Introduction

- [MINI ICE CUBE TRAY]: Each silicone ice cube tray creates 160 cute ice cubes at one time. Little ice cubes are perfect to put in most water bottles, soda bottles and cups to mix any drinks. Size of each tray is 8.27*4.72*0.47 inch, space-saving tiny ice cube tray can stackable neatly to fit nicely in any freezers.
- [QUICK CHILLING DRINKS]: small cube ice trays freeze quickly and chill your drinks much faster than larger ice cubes. Nice sized ice cubes are perfect to keep drinks and iced coffee extra cool without watered down them. Awesome to share a bottle with friends to relax on a hot summer day.
- [EASY ICE REMOVAL]: Upgrade bottom edge design make it easy and time-saving to release ices. Easy to remove the ice cubes at once with a gentle twist or push from the bottom to pop each one out individually if you want to store the rest for later use. The ice cubes are perfect eating size. Great gift for a friend who is an ice maniac and craves chewing ice!
- [PREMIUM SILICONE ICE CUBE TRAY]: Made of high quality silicone with flexibility and durability, crushed ice tray work well in the temperature range of -40 °F to 400 °F. Safe for refrigerators, ovens, microwaves and dishwashers. Crushed ice makers are good for parties, camping, bars, offices and holiday events.
- [PREMIUM SILICONE ICE CUBE TRAY]: Made of high quality silicone with flexibility and durability, crushed ice tray work well in the temperature range of -40 °F to 400 °F. Safe for refrigerators, ovens, microwaves and dishwashers. Crushed ice makers are good for parties, camping, bars, offices and holiday events.

Silicone Mini Ice Cube Trays Details

- FOOD-GRADE SAFETY MATERIAL: Made of Silicone material certified by LFGB, these 3 small square ice cube trays safety and durability, excellent for crushed ice, coffee, smoothies, frappucinos, hard candy, and chocolate bites.
- SMALL ICE CUBE TRAYS - Each crushed ice trays makes 160 mini 3/8" crushed ice cubes. Small enough for water bottles, safe and non-chokable for kids. Great for baby food!
- QUICK FREEZING AND FAST CHILLING - LeeYean nugget ice trays make smaller ice cubes that will chill your drink much faster than cubes made by standard or large ice cube trays so you can enjoy that sweet cold first sip much quicker. Save your time!
- EASY ICE RELEASE & CLEAN - Flexible material shapes the bottom well, and you could bend it back and roll out the cubes, making it easy to release ice cubes. Smooth silicone surface makes it easy to clean. You could just put them into your dishwasher after use.
- A MUST-HAVE KITCHEN TOOL - The Stackable feature save your kitchen room, buy it now and chill tomorrow! 100% RISK-FREE TRIAL - Please do not hesitate to contact us if any questions!
