### Product Description

#### Sphere Ice Cube Mold Silicone Round Large Ice Ball Mold for Whiskey Cocktail and Soft Drinks

##### Silicone Sphere Ice Cube Molds Description

This product was made of food grade PP and silicon material,BPA FREE,safety for everyday use.This ice ball is in jumbo size 2.5 inch,which is perfect for whiskey and cocktail lovers.Melt slowly and keeping dilution to a minimum,keep your drinks chilled longer and more tasty. No need of funnel! Just fill up to the line with water,insert the silicon cap and squeeze out extra water,put in to freezer for 4-6 house and get the ice ball.You'd better follow the instruction,and do not leave extra water in the tiny water hole on the top,or you may get a ice ball with a small tail.This ice cube mold is for individual ice ball use,it takes only few space of your freezer.You can just tuck them in the corner in your freezer and stacked vertically.Compared with ice tray,this mold is more flexible to use and space-saving.

### Silicone Sphere Ice Cube Molds Features

- **QUICK CHILL, NO MELT MESS:** Our Sphere Ice Mold instantly upgrades your beverage game, creating 2.5-inch ice spheres perfect for any glass. Ideal for those who appreciate the art of a perfectly chilled drink without dilution. The slow melt rate preserves your drink's integrity, making every sip as intended.
- **SLOW-MELT ICE SPHERES:** Elevate your drinking experience with our Sphere Ice Mold, designed to slow the melt and keep your drinks cold longer. These large ice spheres chill faster and melt slower, keeping your beverages at the perfect temperature without watering them down. Ideal for whiskey, cocktails, or any cold beverage, our ice mold enhances taste and enjoyment, ensuring that your drink stays true to its original flavor from the first sip to the last. A simple solution for a superior drinking experience, every time.
- **EFFICIENT, ODOR-FREE FREEZER STORAGE:** Maximize your freezer space with our Stackable Sphere Ice Mold, featuring a tight-fitting lid that locks out freezer odors and allows for easy stacking. Designed for convenience and efficiency, this mold keeps your ice taste-free and your freezer organized. The smart design ensures a snug fit for compact storage, making it easy to keep a supply of fresh, spherical ice on hand. Perfect for anyone looking to save space while enjoying clean, fresh-tasting ice whenever needed.
- **ELEGANT ICE FOR EVERY BEVERAGE:** Transform any drink into a work of art with our Sphere Ice Mold. Perfect for creating sophisticated cocktails or chilling your favorite beverages, these ice spheres add a touch of elegance to any glass. The unique shape not only looks impressive but also enhances the chilling efficiency, making it perfect for iced teas, cold brews, and more. A versatile kitchen gadget, it's an essential tool for anyone looking to elevate their beverage presentation and enjoyment, regardless of the occasion.
- **EASY TO USE:** Prioritize safety and convenience with our BPA-free Sphere Ice Mold, made from durable, food-grade materials. Dishwasher-safe and designed for easy use, it features a leak-proof construction with a clear fill line to prevent overfilling. The silicone plunger ensures effortless ice removal, making it accessible to all. Ideal for enhancing your home bartending or everyday beverage enjoyment, this mold combines practicality with elegance, providing a seamless way to enjoy perfectly spherical ice without hassle.

### Silicone Sphere Ice Cube Molds Details

- **KEEP YOUR DRINKS COOL WITHOUT MAKING THEM WATERY** - Great for parties and entertaining. Lasts a LOT longer than regular ice cubes. That means you can enjoy colder, stronger drinks.
- **SIMPLE YET GENIUS** - Perfect ice ball making kit. The quickest and easiest way to make some great ice balls. These set of 4 ice ball trays are built-to-last and the product is made from durable formed and solid design silicone construction with leak-free caps. Makes perfect round balls of ice.
- **SPILL PROOF AND MAKES TOP LOOKING ICE BALLS** - Easy to refill, easy removal, easy cleaning and dishwasher safe. Easy to make - doesn't take much space in the freezer.
- **PERFECT FOR SCOTCH, WHISKEY, BOURBON, AND COCKTAILS** - or even to make your own flavored iceball. Package 4 moulds that make 1 large ice ball each.

## Easy release, no waiting

The lid separation design, even after a long time freezing, silicone lid can be easily broken open, easy to take ice, no waiting for demoulding!
