Our Product Introduction

Silicone Travel Bottles for Toiletries Features

- Facial Ice Roller Suitable for all skin types. treat acne and sensitive skin, reduce redness, remove puffiness and fine lines, smooth skin, improve skin problems, body massage care. It has multiple functions such as beauty, cleansing, and blood circulation.
- Multiple Functions The multi-function design of this product can meet a variety of needs. It can not only outline and shape your face, improve skin radiance, and make you glow. You can also use it for full body massage, which can effectively promote facial blood circulation, lubricate the skin, make the skin more elastic and contractile, and give you a good enjoyment.
- Reusable FDA Grade Silicone This refillable silicone cube can be used multiple times and is developed with durable materials, which can save you money. In order to obtain real skin-lifting effects, customize the formula according to your specific skin needs, such as lemonade for whitening, green tea for inflammation, cucumber water for reducing swelling, and coconut milk for anti-aging.
- Easy to Use Small and light design, easy to use. the ergonomic hand design is easy to grasp, and the ice roller head can slide on the skin, refreshing and calming the skin. It helps improve the skin by conditioning, shaping and lifting, while at the same time creating a healthy glow for the skin by stimulating blood circulation. Frozen over 4 hours, apply the ice to your skin in 30 second intervals in circular motions.
- Customize recipes & Perfect Gift To really enhance the skin effect, you can use your creativity and customize the formula according to your specific skin needs, such as lemonade for whitening, green tea for inflammation, cucumber water for reducing swelling, and coconut for improving skin Milk. You can use a juicer to squeeze them into juice, then add water, essential oils, and roses to the ice tray. Treat yourself or a loved one to a gift that keeps on giving.

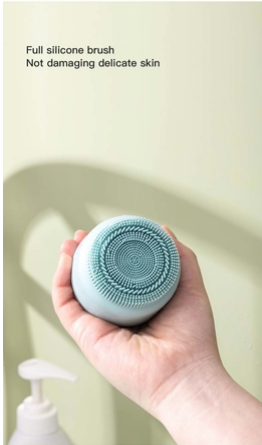

Silicone Makeup Sponge Holder Details

- Safety Material - 100% high quality food grade silicone material. Safety for ice making, it can be refilled with any recipes by your skin care needs.
- New Face Brush Design - We add the silicone villus design on the lid, thick and soft bristles with massage wave points area will help gently clean your pores, remove blackheads and clean away your facial oils, to make your face cleaner.
- Easy to use - Open the face ice mold, add your favorite customized formula, close the lid, and pour water from the top hole into the ice cube mold; Put it in the freezer and wait for 4-5 hours. (Note: The water should not be overfilled, it will expand during the freezing process!)
- Multifunction - Our ice cube mold not only could use for face and eyes, but also for other ice care needs, such as toothaches relieve, muscle pain relief and fever reduction etc.
- Excellent Gift: Our ice roller mold is the excellent gift for your mother, girlfriend, wife and yourself!
