Specification

Product Care Instructions	Waterproof
Feature	Unbreakable
Packaing	OPP
Number of Pieces	1
Usage	Summer Beach Bag
Type	soft silicone

Features

MATERIAL FOR DURABILITY & VERSATILITY: Crafted from lightweight yet robust, our rubber beach bag tote offers unparalleled waterproofing, wear resistance, and ease of maintenance. Suitable for active moms, beach enthusiasts, athletes, teachers, and travelers alike, it withstands the rigors of daily use in various environments.

SPACIOUS & ORGANIZED: Available in dimensions, our tote bag provides ample space for all your essentials. Hold up to six large towels, beach blankets, snacks, electronics, flip-flops, sunglasses, sunscreen, and more.

WATERPROOF & SANDPROOF DESIGN FOR HASSLE-FREE FUN: Whether you're soaking up the sun at the beach or poolside, attending a sports event, or enjoying a picnic, our tote guarantees protection against moisture and pesky sand. Its open-top construction allows for quick access while preventing water ingress, and the innovative perforation pattern allows sand to slip right off, ensuring your belongings stay clean and dry.

STYLISH & PRACTICAL FEATURES FOR ALL OCCASIONS: Choose from a stunning array of colors, including Green, Blue, Purple, Pink and Black, to complement your personal style. Reinforced handles and a soft shoulder strap offer comfortable carrying options, while the textured, non-slip base ensures stability and prevents accidental tipping. Add a touch of personality by attaching your favorite pendants to the integrated holes.

VERSATILE APPLICATIONS & EASY CARE: Beyond beach and pool visits, our tote doubles as a practical work bag for teachers, a stylish shopping companion, and a convenient carry-all for travel and outdoor adventures. When the day is done, simply rinse off any accumulated sand, dirt, or spills – the bag is fully washable and dries quickly, looking like new every time.

Details

Unique Design: The whole body is made of rubber material. The bumps on the bottom of the large beach tote are designed to be non-slip. The reinforced base adds stability to the washable bag, allowing it to remain standing. You no longer have to fret over well-prepared items falling to the ground.

Easy to Clean: The beach tote is made of waterproof and puncture-resistant material. After a day of play, all you need is a simple rinse to remove dirt. Perfect for going to the beach, swimming pool, boat, camping, picnic, sports, gyms and more.

Package Includes: Waterproof bag with two detachable shoulder straps, a transparent accessory pocket that can be buckled in any hole inside or outside the bag to keep your valuables such as mobile phones and keys from getting wet or dirty.

Buy with Confidence: The waterproof beach tote is also a great gift option.
