Product Description

Silicone Fish-Shaped Cat Lick Treat Mat for Cats Dogs Anxiety Relief

Silicone Cat Slow Feeder Description

The slow feeder mats are made of Silicone and BPA free, food-safe, non-toxic and will not harm your pet in anyway, strong flexibility material never deformed ,they can be reused for many times. The slow feeding bowl is carefully designed to slow down feeding that encourages pet to eat or drink at a slower pace preventing indigestion, vomiting and bloating. Help control canine obesity with the a maze in a bowl and a calory controlled diet. Eating slower is healthier for your dog. Dog licking mat increases endorphins, which in turn calms your pet helping dog anxiety.A great alternative to slow feeder dog bowls use our dog food mat to curb destructive behavior during stressful times.

Silicone Cat Slow Feeder Features

- **HIGH-QUALITY FOOD-GRADE MATERIAL:** Cat slow feeder is made of safe, non-toxic, and durable food-grade silicone, which is pet safe and will not harm your pet's tongue to ensure that your pet can eat safely and comfortably.
- **SLOW CAT FEEDER:** Fun alternative to slow feeder cat bowl. The cat slow feeder uses a textured surface design to slow down the cat's feeding pace and prevent bloating and indigestion.
- **SUITABLE FOR DRY OR WET FOOD:** Our cat slow feeder bowl can be used with wet food or dry food, you can sprinkle their favorite snacks (peanut butter, pumpkin butter, yogurt), dog slow feeder can slow down the dog's eating speed and effectively improve healthy digestion.
- **REDUCE ANXIETY:** The cat puzzle feeder adopts a fish-shaped appearance design, which can arouse pets' interest and increase pets' appetite. Reduce the boredom, anxiety, and stress of pets. Let your pet quietly enjoy their favorite food.
- **EASY TO CLEAN:** After use, just rinse the slow feeder with water. It is recommended to soak hard-to-clean foods (such as peanut butter) in warm soapy water for a period of time, and then rinse with water. The lick pad is also suitable for dishwashers (applicable temperature is about -20°C~210°C).Always supervise your pet during use as these are not chew toys. It is not recommended to use without supervision to avoid damage caused by pet bites.

Silicone Cat Slow Feeder More Details

- **REDUCES ANXIETY, BOREDOM AND DESTRUCTIVE BEHAVIOR** – LickiMat allows cats to enjoy an enriched feeding experience by picking food embedded in the surface. The whisker friendly design is perfect for fussy cats and may encourage food interest.
- **LICK MAT ENRICH FEEDING TIME** - The ribs and ridges of the low profile design allow the cat to naturally crouch and enjoying feeding. The feeder enriches and prolongs the meal, making it a pleasurable experience.
- **DENTAL HEALTH** - LickiMat textured surfaces promote pleasurable licking action, which generates saliva helping protect your pet's teeth and gums. Scrapes food pieces and odor-causing pieces off your pet's tongue, promoting healthier teeth, gums and fresher breath.
- **SERVE HEALTHY TREATS** – serve yogurt, peanut butter, purées, spreads and all manner of organic and healthy treats. Food settles in the mat's surface which slows the feeding dramatically and prolongs enjoyment. Less calories, healthier treats and longer duration.
