Details

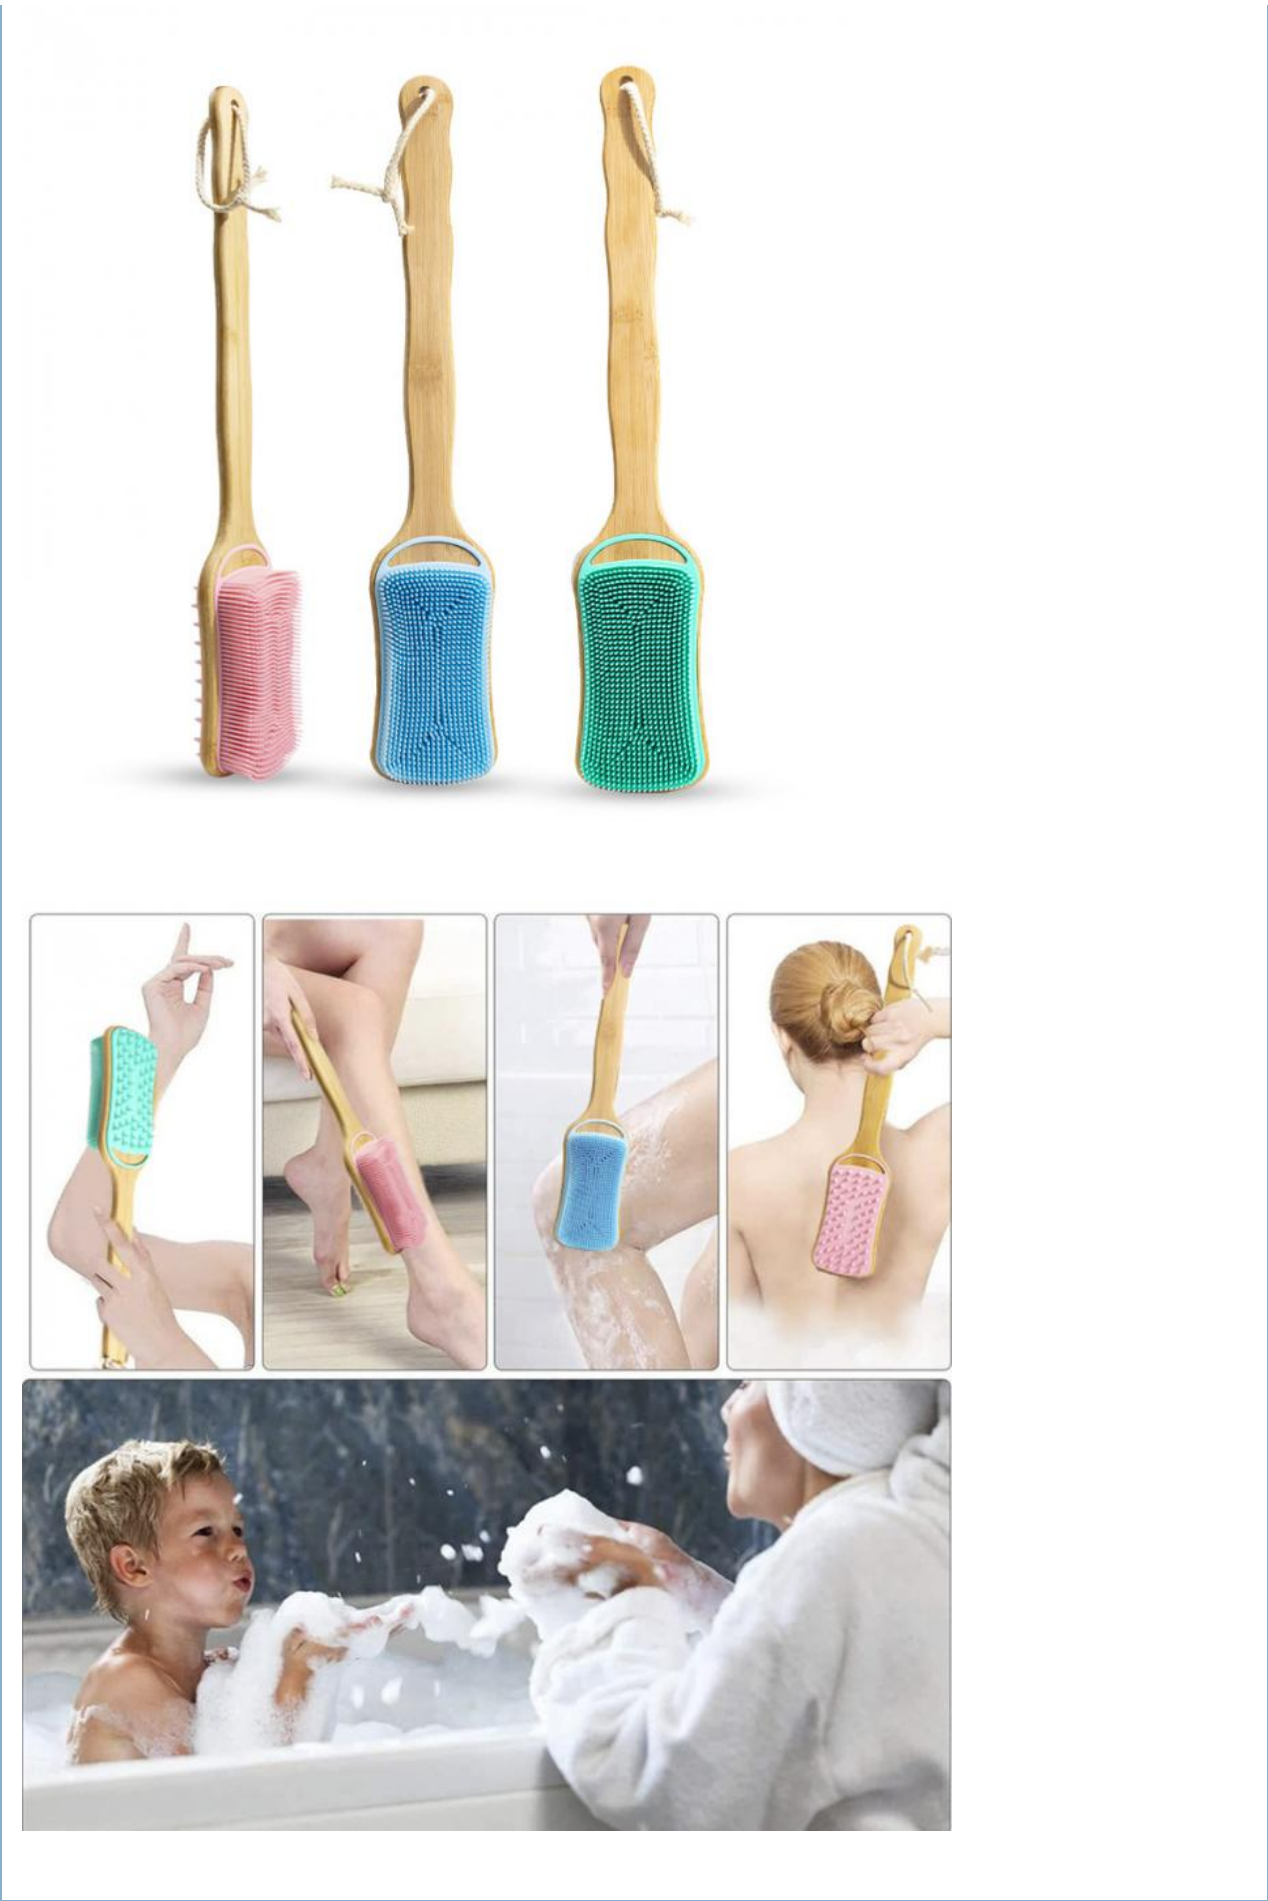

- **Food Grade Silicone :** Our silicone back scrubber are made of premium food grade silicone. Silicone is a soft and safe material that can help exfoliate your skin. Rubbing the bristles into your skin stimulates blood circulation and can reduce cellulite in problem areas. This silicone shower brush is friendly to men women and kids.
- **Easy to Maintenance :** This silicone back scrubber is easy to clean by hand washing.
- **Silicone Shower Back Scrubber:** A shower back scrubber is an important part of your bathroom. It can gently exfoliate pores, remove dirt and body oil, it is a great helper for cleansing the skin and relaxing the body. This bathroom body scrubber is suitable for men and women, the soft silicone shower back scrubber brings a good feeling of use and enhances your bathing experience.
- **High-Quality Material:** Our shower body scrubber is covered with silicone material, which is elastic, not easily bent and super durable. Our silicone material is not rough and gentle on the skin. The silicone material can withstand higher temperatures. High or low water temperatures in the bath will not affect the use of our back brush.
- **Double-sided Design & Long Handle:** Long handle, comfortable to hold. The hanging hole design makes it easy to hang and store. Double-sided brush head, one side has soft and delicate silicone bristles to help deep clean your skin. The other side has massage nodules. Our shower body scrubbers are great at scrubbing and massaging. The long handled shower body brush helps you easily exfoliate your back or waist.
- **Easy To Clean:** The silicone shower body scrubber is easy to clean, dries quickly and leaves no residue. Simply rinse and hang to dry when you're done using it.
