Usage	Shower Brush
Type	silicone

#### Features

Made of high-quality silicone Soft silicone sensory brush massage tools, made of high-quality silicone, provides comfortable skin contact and is an essential occupational treatment tool for sensory classrooms.

Sensory brush that can be used on both sides The two sides of the brush have different levels of sensory stimulation. For children or adults with sensory sensitivity or sensory defense, the back of the brush can be used at the beginning to reduce the stimulation, or the sensory brush can be brushed along the direction of the skin pores, from top to bottom.

As a sensory therapy tool, different usage methods bring different levels of tactile stimulation intensity. For children, teenagers, or adults who seek sensory or tactile stimulation, they can brush against the direction of their pores from bottom to top, making the tactile stimulation more intense.

Cute Silicone Loofah,Shower Brush Bath Toys for Kids Silicone body scrubber for use in shower, exfoliating body brush, premium silicone loofah, head scrubber, scalp Massager brush

Practical and beautiful party favors for kids Practical, and beautiful children's party gifts. Our sensory brush and shower brush come in various shapes.

#### Details

**Bath Brush:** You can use it in combination with a body wash, which will give you a good bath and cleanse, which effectively exfoliates and cleanses the skin, improving blood circulation and skin health. A scalp shampoo protects long nails from damage and prevents nails from damaging the scalp when massaging the scalp.

**100% Silicone Brush:** The silicone body scrubber is made of food grade silicone material and can be used safely in hot water, the body shower scrubber is soft and skin-friendly.

**More hygienic and easier to clean:** Due to the excellent material properties, the silicone body scrubber is easy to clean, quick-drying and less likely to contain dirt, it is more hygienic than loofah sponges and traditional shower loofahs.

**Deep Cleansing Skin:** Easily remove dead skin cells, dirt and more! The silicone loofah with handle is soft and comfortable enough to thoroughly cleanse the skin. It can effectively remove keratin and grease, and after long-term use, it can effectively improve the body's acne. Silicone bath brushes are suitable for men, women and pets.

We're always here - Our products undergo a rigorous quality inspection, If you are dissatisfied, please contact us, we will try our best to solve your problem.
