## Product Description

# Silicone Collapsible Kids Travel Water Bottles Leakproof for Outdoor Hiking Gift

## [Silicone JinYu Industrial .pdf](#)

### Silicone Collapsible Kids Water Bottles

It is safe and hygienic, because it uses food grade silicone bottle and food grade plastic cap. BPA free and passed the US FDA qualification certification children can also use it with confidence. The portable silicone water bottle weighs only 5.6oz, but it can hold 600ml of water. It takes advantage of the characteristics of soft silicone and can be folded compactly after drinking, making it easy to carry. You don't have to carry a large kettle all day when going out.

### Silicone Collapsible Kids Water Bottle

### Silicone Collapsible Kids Water Bottles

- **【HIGH-QUALITY MATERIALS】** This water bottle is mainly made of BPA free, safe, non-toxic, leak-proof, shatter-proof, durable silicone with PP cap and sealing, so you can relax and enjoy your water cleanness without harmful chemicals, plastic taste or bad smell, also ease with an easy aluminium alloy hook for free come and go.
- **【COLLAPSIBLE FUNCTION】** The collapsible water bottle is 20oz about 568ml 7 inches height but the hamburger body can be folded from top to bottom which to be about 275ml 4.4 inches height, and 3.15 inches width, like a cute ball. This squeeze water bottle can really help save space when ones are outdoor. But open the nozzle to make the bottle have air outlet before folding or expanding.
- **【USER FRIENDLY】** Our reusable water bottle is appropriate for both warm and cold drinks, but not for use on a stove, in a microwave or freezer. The personalized water bottle is with wide mouth design for easier interior clean, and hand wash only. The new product may have natural silicone smell, so if you want to remove that you can soak the bottle in 80 °C hot water for 15-20 minutes.
- **【WIDE USAGE】** This BPA free water bottle keeps inside all the healthy hydration that your body needs! The sports water bottle can be safe in backpacks, beach bags, or on the edge of your countertop. It assures that you stand out with a very durable and elegant running water bottle. The ideal portable gifts for your families and friends who are into fitness, yoga, hiking, running, cycling, climbing, or camping, or simply enjoy tea at home, office, beach, or travels.
- **【PACKAGE】** This best water bottle is very light weight with about 170g so it can help you lighten the burden during travel and it's the carrier of water energy. One piece folded in one box to save space.

### Silicone Collapsible Kids Water Bottles

**[DRINK MORE WATER]** With unique design, this cool collapsible reusable water bottle for boys and men will encourage your son or your husband to drink more water than ever with fun. He can only push it into a ball until he has drank what's in the bottle which helps to make him drink more. This silicone foldable boys water bottle for school is perfect Christmas birthday gifts for boys of any age and men etc. Pls clean the water cup regularly to avoid mold using the brush.

**[SAFE & NON-TOXIC & DURABLE]** Afraid of your son breaking bottles? This waterbottle for school is made of food-grade silicone which is soft, drop resistant, lightweight and durable. This boys water bottles is BPA free. The cups for boys is odorless and free from any harsh chemicals which is important. This water bottles leakproof for school is very elastic, soft, non-slip, comfortable for holding with ergonomics design. Great for kids who drop bottles constantly.

**[FOLDABLE DESIGN]** Flexible capacity - Shrink it to a handy tiny 200ml ball shape, or expand to the full 550ml. Size is perfect for both kids & adults. The travel water bottle is foldable which saves about 50% of space for outdoor activities. Easily squeeze. Very handy to carry around. Great bottle for school, collapses down in size to store in school bag at the end of the day. The hiking water bottle also comes with a carabiner for you to clip onto a backpack for school sports, traveling, gym. The kids water bottle boys is perfect for school as if it's dropped it bounces and doesn't break.
