Silicone Collapsible Kids Water Bottles for Features

SAFE FOOD GRADE SILICONE The collapsible silicone water bottle is BPA free and tasteless, made of BPA free food grade silicone, certified by LFGB, SGS and FDA to ensure safe drinking, free of PVC, latex, phthalic acid Pungent smells like salt and plastic smells.

LIGHTWEIGHT AND EASY TO CARRY Foldable design, the volume of the children's water bottle is reduced by 50% after folding, which can be adjusted as needed. Comes with carabiner for easy carrying or hanging on a backpack, perfect for school, workout, office, gym and outdoor recreation.

LEAK-PROOF & EASY TO CLEAN The collapsible water bottle has a silicone sealing ring that prevents water from spilling. The spout is removable and the wide neck removable design makes the water bottle easy to clean. Removable spout, wide neck removable design makes the water bottle easy to clean, can put ice cubes and lemons in it, and the narrow spout design prevents leakage and wetting of the water bottle when drinking.

DURABLE AND REUSABLE This silicone water bottle is reusable, drop resistant and scratch proof, you don't have to worry about it getting broken or scratched. The shatterproof silicone bottle ensures that you stay hydrated for a long time during your travels or activities. A perfect gift for kids during the holidays.

Silicone Collapsible Kids Water Bottles for Details

- **HIGH-QUALITY MATERIALS** This water bottle is mainly made of BPA free, safe, non-toxic, leak-proof, shatter-proof, durable silicone with PP cap and sealing, so you can relax and enjoy your water cleanliness without harmful chemicals, plastic taste or bad smell, also ease with an easy aluminium alloy hook for free come and go.
- **COLLAPSIBLE FUNCTION** The collapsible water bottle is 20oz about 568ml 7 inches height but the hamburger body can be folded from top to bottom which to be about 275ml 4.4 inches height, and 3.15 inches width, like a cute ball. This squeeze water bottle can really help save space when ones are outdoor. But open the nozzle to make the bottle have air outlet before folding or expanding.
- **USER FRIENDLY** Our reusable water bottle is appropriate for both warm and cold drinks, but not for use on a stove, in a microwave or freezer. The personalized water bottle is with wide mouth design for easier interior clean, and hand wash only. The new product may have natural silicone smell, so if you want to remove that you can soak the bottle in 80 °C hot water for 15-20 minutes.
- **WIDE USAGE** This BPA free water bottle keeps inside all the healthy hydration that your body needs! The sports water bottle can be safe in backpacks, beach bags, or on the edge of your countertop. It assures that you stand out with a very durable and elegant running water bottle. The ideal portable gifts for your families and friends who are into fitness, yoga, hiking, running, cycling, climbing, or camping, or simply enjoy tea at home, office, beach, or travels.
