Product Description

BPA Free and Leakproof Silicone Travel Water Bottle for Outdoor, Hiking, Gift

Silicone Collapsible Kids Water Bottles for Description

The water bottle is BPA free and odorless, made of BPA-free food-grade organic silicone, passed LFGB, SGS and as obtained FDA certification, to ensure safe drinking, no PVC, latex, phthalate and plastic smell, etc. odor. It is safe and hygienic, because it uses a food-grade liquid silicone bottle and a food-grade plastic cap, children can also use it with confidence. This product has excellent heat resistance and can withstand temperatures from -50 to 200°C. It has leak-proof and impact-resistant properties and is very suitable for all activities and sports. Even if it is squeezed or pushed, it will be tightly sealed. Even if you put it in a backpack or computer bag, it will not leak. We do not recommend using it in liquids higher than 158°F (70°C) to avoid hot hands.
