- **Adhd Toys** - Crafted from premium non-toxic silicone with CPC certification, this toy features an intricate silicone board, vibrantly colored strings, and a pack box, ensuring play anytime, anywhere. It's the perfect gift, suitable for all age groups.

Silicone Sensory Activity Board More Details

- **Larger Size for More Fun** Our sensory activity board measures a generous 7.08 IN in a perfect square shape, making it larger than most competitors on the market. This increased size allows for more ways to play and explore, offering greater versatility and enjoyment. With more room for creativity and tactile exploration, this board delivers enhanced fun and engagement for both kids and adults.
- **Silent and Discreet** Our sensory activity board offers a peaceful, screen-free alternative for kids to stay focused in public places like airplanes, cars, waiting rooms, or restaurants. The sensory board is completely silent while using and will not disturb others, Perfect for classroom or home use.
- **Perfect for Special Needs** Discover the calming solution with our sensory fidget toys, thoughtfully designed to reduce stress and anxiety for both children and adults. Whether it's helping kids stay focused or providing adults with a much-needed break from work stress, these toys offer therapeutic, satisfying, and relaxing activities. Ideal for individuals with ADHD, ADD, autism, and other special needs.
- **Safe & Portable Play** Crafted with premium non-toxic silicone, featuring an intricate & durable silicone board, 12 vibrantly colored strings, and a convenient carry bag, kids can be played anytime, anywhere and shared with Friends. Give the gift of fun and learning with this versatile and travel-friendly sensory board.
- **Peace and Relaxation** The calming and engaging sensory activity board provides essential stress and anxiety relief. With its long-lasting gameplay, tactile features, and mesmerizing design, it nurtures a sense of achievement and delivers soothing ASMR sensations. Perfect for dissipating pent-up energy, this sensory activity board is designed to bring relaxation.
