Product Description

Product Description:

One of the standout features of this product is how easy it is to use. Whether you're sharpening your pencils, jotting down notes, or organizing your desk, this stationery product is designed to make your life easier. The Kwaii Pencil Sharpener, which is included in this product, is a perfect example of how convenient and easy-to-use this stationery product really is.

Another great feature of this product is that it is tasteless, which means you won't have to worry about any unpleasant smells or tastes. This is particularly important if you're using this product in a school or office environment where you may be working in close proximity to others.

At 280g, this stationery product is lightweight and easy to carry around with you wherever you go. Whether you're commuting to work or school, or simply moving between different locations throughout the day, this product is designed to be both portable and convenient. In addition to its many practical features, this stationery product also comes with a Timer Function Bedside Lamp and a 16 Color Changing Kids Night Light. These features are perfect for anyone who wants to add a touch of color and fun to their workspace or bedroom. The 16 Color Changing Kids Night Light is particularly popular with children and can be used to create a calming and soothing atmosphere at bedtime.

Overall, the Silicone Stationery product is an excellent choice for anyone looking for a versatile and practical stationery product that is easy to use, lightweight, and tasteless. With its many useful features and sleek design, this product is sure to become an essential part of your daily routine.

Applications:

The JY silicone stationery product, model number JYP6450, is an excellent addition to any living room or office. Made from 100% platinum silicone, this product is FDA certified and completely tasteless, making it safe for use around food and drinks. With a minimum order quantity of 100pcs, this product is available at a negotiated price and is packaged in an opp bag.

One popular application of this silicone stationery product is as a Capybara Night Light. The LED light inside the product provides a soft and gentle glow, perfect for use in a child's bedroom. The product is also USB rechargeable, making it convenient and cost-effective. Its cute and unique design is sure to make it a hit with kids and adults alike.

Another popular use for this JY silicone product is as a stationery holder in a school or office setting. Its durable and flexible silicone material ensures that it can hold a variety of pens, pencils, and other stationery items securely in place. Its compact size and neutral color make it a great addition to any desktop or workspace.

With a great supply ability and most products stocked, this silicone stationery product is readily available for purchase and delivery time can be negotiated. Payment terms are TT. So, whether you need a Capybara Night Light, a USB Rechargeable Cat Night Light for Kids, or just a functional and stylish stationery holder, the JY silicone stationery product is the perfect choice.
