Product Description

Product Description:

ID badge holder comes together in sleek minimal design and high-quality materials. Silicone card case not only securely stores and protects your ID badge access cards, but also adds a great layer of stylish professionalism in your workplace. ID card holder consists of a durable metal spring and wear-resistant metal ring. It can be stretched smoothly up to 19.68", making it easier to swipe your work badge at a door or gate without having to bend or take it off your neck. The neck cord is smooth and soft with a unique safety breakaway release at the top for added safety and convenience in emergencies.

Applications:

The JY JYP6450 Silicone Stationery product is a versatile and high-quality item that can be used in a variety of occasions and scenarios. Made in China and certified by the FDA, this product offers a minimum order quantity of 100pcs, with a negotiated price and delivery time, and TT payment terms.

Thanks to its great supply ability and most are stocked product, you can trust that this product will always be available when you need it. It weighs only 25g and comes in various colors, making it perfect for personal, office, and school use.

Some of the most popular product applications for the JY JYP6450 Silicone Stationery product include:

ID Card Holder School Card Holder: Use this product to keep your ID card or school card safe and easily accessible. The non-toxic and tastless silicone material ensures that your card stays clean and protected at all times.

ID Card Holders for Women Nurses Teacher Office School: This product is great for women who work in various fields, including nursing, teaching, and office work. It is a convenient way to keep your ID card or badge close by and easy to access, without sacrificing style or comfort.

Badge Holders for Nurse Office Medical Student Teacher Doctor: If you work in a medical or educational setting, this product is a must-have. It allows you to keep your badge or ID card visible at all times, ensuring that you are easily identifiable and able to access secure areas as needed. The silicone material is easy to clean and maintain, making it perfect for busy professionals.

With its versatile applications and high-quality construction, the JY JYP6450 Silicone Stationery product is an excellent choice for anyone in need of a reliable and durable ID card holder or badge holder. It comes packaged in an opp bag, making it easy to store and transport, and is sure to last for years to come.
