Whether you're a student, a professional, or someone who just needs to keep their cards safe and accessible, this product is the perfect solution. So why wait? Order your Silicon Card Holder With Lanyard today and experience the convenience and security that it provides!

### Applications:

One of the main applications of the JY JYP6450 Silicone Stationery is in the office environment. The ID card holder with neck strap is a popular choice for employees who need to display their identification cards or badges. It is also a great option for nurse office, medical student, teacher, and doctor who need to carry their ID cards or badges with them at all times. This product is tastless, ensuring that it does not interfere with the taste of food or drinks, making it a great choice for those who need to work in food service or healthcare environments.

The JY JYP6450 Silicone Stationery is also a great option for students in schools and universities. It can be used to hold bus cards, ID cards, or name cards, making it a convenient way to keep these essential items organized and easily accessible. The various colors available for this product also make it a fun way to add some personality to school supplies.

Finally, the JY JYP6450 Silicone Stationery can also be used for personal use. It is a great way to protect important cards and badges while traveling or at events. The badge holders are also a great way to display event badges or tickets while keeping them safe from damage or loss.
