Product Description

Silicone Luggage Tag Description:

The Silicone Stationery is a lightweight product, weighing only 25g. It won't add any extra weight to your bag or purse, so you can carry it around with ease. The product is available in various colors, so you can choose the one that best suits your personal style.

Our Silicone Stationery product is designed specifically as a card holder. You can use it to hold your business cards, credit cards, or any other cards you need. The card holder is made from high-quality silicone, which makes it durable and long-lasting.

One of the unique features of our Silicone Stationery product is that it can also be used as a luggage tag. The bright colors and waterproof film make it easy to spot your baggage handbag travel suitcase tag on the luggage carousel. You can also use it as a name tag, so you won't have to worry about losing your luggage or personal items.

The Silicone Stationery product is a must-have for anyone who wants to organize their cards, luggage, and personal items. It is a versatile product that can be used in multiple ways, making it a great value for your money.

In summary, our Silicone Stationery product is easy to use, lightweight, available in various colors, and can be used as a card holder, luggage tag, or name tag. It is perfect for office, school, or personal use. Get yours today and experience the convenience of our Silicone Stationery product!
