## Product Description

### Product Description:

One of the most popular uses for this product is as a card holder. Its soft and pliable material makes it easy to store your business cards, credit cards, or other small items without worrying about them getting lost or damaged. The customizable aspect of this product means that you can have your company logo or other design printed on it for a unique and professional look.

In addition to its use as a card holder, the Silicone Stationery product is also a great choice for travel. The set comes with four silicone tags that can be used as luggage tags or identification labels for suitcases, bags, and other baggage. The bright and vibrant colors make it easy to spot your luggage on the baggage carousel, while the customizable aspect allows you to add your name or any other identifying information.

The set includes a range of colors to choose from, making it easy to match your personal style or company branding. The soft and flexible material of the product means that it won't crack or break even with frequent use, making it a smart investment for anyone looking for a reliable and long-lasting solution for their stationery or travel needs.

Overall, the Silicone Stationery product is a versatile and customizable choice for anyone looking for a soft and non-toxic solution for their stationery or travel needs. With its range of colors and customizable options, it's easy to find a design that matches your personal style or company branding. Whether you're using it as a card holder or luggage tag, this product is sure to be a durable and reliable choice for years to come.

### Applications:

With its various colors, JY JYP6450 can be used as a name card holder for suitcases, helping you easily identify your luggage among the crowd. It can also be used as luggage tags, allowing you to put your personal information on it for safety purposes. In addition, its bright colors and waterproof film make it an excellent choice for creating eye-catching luggage bag tags with name tags that can withstand various weather conditions.

With a minimum order quantity of 100pcs, JY JYP6450 is a product that is available in large quantities, and most of them are stocked products, ensuring that you can get them in a timely manner. The packaging details include an opp bag, and the delivery time and payment terms can be negotiated with the supplier. The price is also negotiable, making this product an excellent choice for businesses and individuals who are looking for quality silicone stationery products at a reasonable price.

JY JYP6450 is also BPA-free, ensuring that it is safe for use by individuals of all ages. Its versatility and durability make it an ideal choice

for various occasions and scenarios, including office meetings, school projects, and personal use. With its soft texture and non-toxic properties, it is also perfect for children who are just starting to use stationery products.

In conclusion, JY JYP6450 is an excellent silicone stationery product that is versatile, durable, and safe for use. With its various colors and waterproof film, it can also be used as name card holders for suitcases, luggage tags, and bright luggage bag tags with name tags. With a great supply ability and a minimum order quantity of 100pcs, this product is an excellent choice for businesses and individuals who are looking for quality stationery products at a reasonable price.
