Product Description

Travel Suitcase Tag Description:[Silicone JinYu Industrial .pdf](#)

The Silicone Luggage Tags are made from high-quality, food-grade silicone, which makes them soft and non-toxic. The material used in these tags ensures that they are durable and long-lasting, so travelers can use them for many trips to come. The product weighs only 20g, which means it is lightweight and easy to carry around.

The design of the Silicone Luggage Tags is simple, modern, and cartoon-like, making them perfect for individuals who want to add a touch of fun to their travels. The tags are available in a variety of colors, so travelers can choose the one that best suits their personality and preferences.

The Silicone Luggage Tags are easy to use. All travelers have to do is write their name, address, and phone number on the tag and attach it to their luggage. This way, if their luggage gets lost or misplaced, it can be easily returned to them. The tags are also great for individuals who have multiple bags, as they can use different colors to differentiate between their bags.

The Silicone Luggage Tags are also perfect for those who are environmentally conscious. The tags are reusable, which means they can be used for multiple trips, reducing the need for single-use tags. This makes them a great option for travelers who want to reduce their carbon footprint.

In conclusion, the Silicone Stationery product is an efficient and stylish way to label travel suitcases, bags, and baggage. The Silicone Luggage Tags are made from high-quality, food-grade silicone, making them soft, non-toxic, and durable. The simple, modern, and cartoon-like design of the tags makes them perfect for individuals who want to add a touch of fun to their travels.
