## Product Description

### Product Description:

Made of new anti-aging rubber, this hot water bottle bag is pressure-tolerant and leak-proof, ensuring a safe and comfortable experience every time. You don't have to worry about any leaks or spills, making it a reliable option for all your hot water needs.

In addition to its safety features, this hot bag for pain also comes with a super soft double insert for keeping warm to your hands and waist at the same time. This makes it an excellent choice for providing comfort and relief from aches and pains, while also keeping you warm and cozy during the colder months.

Made with love and rigorously tested, this hot water bottle bag comes with a lifetime support guarantee, ensuring that you will always be satisfied with your purchase. It is also BPA free, making it a safe and healthy choice for you and your family.

The material used in this hot water bottle bag is soft silicone, which is a durable and high-quality material that is designed to last. Whether you need it for personal use or as a gift for a loved one, this hot water bottle bag is the perfect choice.

Overall, the Hot Water Bottle Bag is a reliable and safe option for all your hot water needs. With its leak-proof design, super soft double insert, and lifetime support guarantee, you can be sure that you are getting a high-quality product that will provide comfort and relief when you need it most.

### Applications:

The JY-255 hot water bottle bag is made from soft silicone, which is a high-quality material that provides longer warmth and is more durable than traditional rubber hot water bags. It has a capacity of 1200ML/ 1500ML, making it perfect for use in a variety of situations. This product is FDA and LFGB certified, ensuring that it meets the highest standards of quality and safety. It is also available for OEM, making it easy to customize according to your needs. The minimum order quantity is 50pcs, and the price is negotiable. Payment terms are T/T, and supply ability, delivery time, and packaging details are all negotiable as well.

There are many occasions and scenarios where the JY-255 hot water bottle bag can be used. It is perfect for those cold winter nights when you just want to snuggle up in bed with a warm, cozy blanket. It can also be used to soothe aches and pains or to provide relief from menstrual cramps.

Whether you are at home, at work, or on the go, the JY-255 hot water bottle bag is the perfect solution for staying warm and comfortable.

Its lightweight design makes it easy to carry with you wherever you go, and the high-quality cover material ensures that it provides long-lasting warmth. So why wait? Order your JY-255 hot water bottle bag today and start enjoying the many benefits of this high-quality product. Whether you are looking for a way to stay warm during the winter or to soothe aches and pains, this rubber hot water bag is the perfect solution.

## Support and Services:

The Hot Water Bottle Bag is a durable and reliable product designed to provide warmth and comfort. It is made of high-quality materials that are safe and easy to clean. The product comes with a user manual that provides instructions on how to use and care for the product to ensure its longevity.

Our technical support team is available to assist with any questions or concerns regarding the use or maintenance of the product. We offer a warranty on all our products and provide repair and replacement services if needed.

If you are experiencing any issues with your Hot Water Bottle Bag, please contact our customer service team for assistance. We are committed to providing excellent customer service and ensuring your satisfaction with our products.

## Packing and Shipping:

Product Packaging:

The Hot Water Bottle Bag is packaged in a rectangular cardboard box with a colorful label displaying the product name and image. The box measures 10 inches in length, 6 inches in width, and 2 inches in height.

Shipping:

The Hot Water Bottle Bag is shipped in a protective bubble mailer to prevent any damage during transit. The package will be delivered to your doorstep within 5-7 business days after the order is placed.
