Applications:

The JY JYP5289 hot water bottle is a versatile product that can be used in many different scenarios. It's perfect for women who experience menstrual cramps, as well as for kids who are experiencing growing pains. The hot water bag is also great for elderly individuals who suffer from joint pain or arthritis. The small size of this hot water bottle makes it easy to take with you wherever you go, and the screw cap ensures that there are no leaks.

The JY JYP5289 hot water bottle is an excellent pain relief heating pad that can be used for both hot and cold therapies. Simply fill the hot water bottle with hot water to relieve sore muscles or fill it with cold water to reduce inflammation. The hot water bag is a winter gift for women, children, and elderly individuals who need relief from pain and discomfort.

Overall, the JY JYP5289 hot water bag for pain relief is a must-have for anyone who experiences pain on a regular basis. It's a small and convenient product that can be used in a variety of scenarios, and it's made with high-quality materials that are safe and durable. With FDA and LFGB certifications, you can be sure that you're getting a product that meets the highest standards of quality. The minimum order quantity for this product is 500pcs, and it comes in an opp bag. The price, delivery time, and supply ability can be negotiated, and payment terms are TT.
