Product Description

Product Description:[Silicone JinYu Industrial .pdf](#)

The Hot Water Bottle with Cover is made from premium quality silicone that is durable and long-lasting. The material ensures that the bottle is safe to use and will not leak or burst even when exposed to high temperatures. The silicone material also guarantees that the bottle remains odour-free and does not retain any unpleasant smells that may affect its use.

The Cute Hand Feet Warmer comes with a soft fleece cover that is designed to provide extra warmth and comfort. The cover is removable and can be easily washed when needed, ensuring that the bottle remains clean and hygienic. The cover is available in a range of fashion styles, making it a perfect accessory that can complement any outfit.

The Hot Water Bottle Bag is a customizable product that can be tailored to meet specific requirements. Whether you want to add your own logo or design or change the color of the cover, we can work with you to create a product that meets your needs. We are committed to delivering high-quality products that meet the demands of our customers.

In summary, the Silicone Hot Bag is a premium classic rubber hot or cold water bottle with a soft fleece cover that provides warmth and comfort during the cold winter months. It has a capacity of 2 liters and weighs just 210g, making it easy to carry around and use whenever you need it. The Hot Water Bottle with Cover is available in a range of fashion styles and can be customized to meet specific requirements. The Cute Hand Feet Warmer is a perfect accessory that complements any outfit and comes with a removable cover that can be easily washed. Order your Hot Water Bottle Bag today and stay warm and comfortable all winter long.
