Product Description

Hot Water Bottle Description: [Silicone JinYu Industrial .pdf](#)

Our Classic-designed hot water bottle bag is perfect for those who value both style and functionality. It comes in a range of colors, including Red, Blue, Pink, Yellow, and Colorful, so you can choose the one that suits your style best. But it's not just about looks. Our Hot Water Bottle with Cover is made of high-quality materials that are both durable and safe to use. It's available in three different sizes, including 500ML, 1000ML, and 2000ML, so you can choose the one that fits your needs best. Plus, it comes with a cover that's not only fashionable but also helps to retain heat for longer periods of time. One of the best things about our Hot Water Bottle with Cover is that it's incredibly versatile. It's ideal for menstrual cramps, which is why it's a must-have for women of all ages. It can also be used for back pain, muscle soreness, and even as a warm bed companion on cold nights. And if you're looking to add a personal touch to your hot water bottle bag, we've got you covered. Our products can be customized to meet your unique needs, whether you want to add your name, a special message, or a unique design. In short, our Hot Water Bottle with Cover is a reliable, stylish, and versatile product that's perfect for anyone looking to stay warm and comfortable during cold nights or menstrual cramps. With its classic design, range of colors and sizes, and customizable options, it's a must-have for anyone who values both style and comfort. So why wait? Order your 3L Hot Water Bag today and experience the ultimate in warmth and relaxation!

Applications:

The JY hot water bottle bag has a capacity of 2 liters, which is perfect for holding enough water to keep you warm for several hours. It is waterproof and leakproof, so you don't have to worry about any water spills. The bag is also tasteless, ensuring that the water you use is safe and clean.

This hot water bottle bag is perfect for various occasions and scenarios. It can be used as a hand and feet warmer during the winter season. It can also be used to relieve pain and discomfort caused by cramps, sore muscles, and arthritis. Simply heat the bag in a microwave or hot water, and place it on the affected area for a soothing effect.

The JY hot water bottle bag comes with a cover to prevent burns and to keep the water warm for a longer time. The cover also ensures that the bag is comfortable to use, making it perfect for bedtime use. The bag is microwaveable, making it easy to use and convenient to warm up.

Customization of the JY hot water bottle bag is accepted, and it comes packaged in an opp bag. The delivery time and price are negotiable, and the payment terms are TT. The JY hot water bottle bag is on stock, ensuring that you can get it whenever you need it.

Customization:

Our Hot Water Bottle Bag comes in three different sizes: 2000ML, 1000ML, and 500ML, and is made in China with certification from FDA and LFGB. It is also tasteless and BPA-free, ensuring that your hot water bag is safe to use.

We offer product customization services and accept customized orders with a minimum order quantity of 500pcs. The price and delivery time can be negotiated depending on your requirements. The packaging details come in a convenient opp bag.

Our Hot Water Bottle Bag is also waterproof and leakproof, ensuring that you can use it without any worries. It is perfect for keeping your hands and feet warm during cold weather. The JY Hot Water Bottle Bag accepts both hot and cold therapy for ultimate relaxation.

Experience the comfort and convenience of using our Hand Feet Warmer - the JY Hot Water Bottle Bag. Place your order now and enjoy the benefits of having your own hot water bag at home.

Support and Services:

The Hot Water Bottle Bag is a simple and effective way to provide warmth and comfort. It is made of high-quality materials that are durable and long-lasting. Our product technical support and services include:

- Assistance with product setup and installation
- Troubleshooting common issues
- Providing product specifications and user manuals
- Answering any questions or concerns you may have about the product

Our goal is to ensure that you have a positive experience with our product and that it meets your needs. If you have any questions or concerns, please do not hesitate to contact us.

Packing and Shipping:

Product Packaging:

The Hot Water Bottle Bag comes in a clear plastic packaging with product details and instructions printed on it. The product is securely placed inside the packaging to prevent any damage during shipping.

Shipping:

The Hot Water Bottle Bag is shipped using standard shipping methods. The product is carefully packed in a box with additional padding to ensure it arrives in perfect condition. Shipping time may vary depending on your location.
