Product Description

Product Description:[Silicone JinYu Industrial .pdf](#)

The classic hot water bag has been a trusted source of comfort and relief for years, and this silicone version takes it to the next level. Not only is it BPA free, but it is also customizable, making it the perfect gift for loved ones.

The tasteless design ensures that there is no unpleasant odor or aftertaste, making it the perfect solution for those with sensitive skin. The waterproof and leakproof design ensures that there are no messes or accidents, providing peace of mind while using it.

The 2 pack of 2L thickened leakproof hot water bags are perfect for those who need pain relief in multiple areas, or for those who want to share with a loved one. The hot water bag can be used for pain relief in the neck and shoulders, feet warmer, and even for menstrual cramps.

The hot and cold therapy feature of the hot water bottle bag allows for a variety of uses, making it a versatile tool in the quest for comfort and relief. The silicone material ensures that the bag can withstand both hot and cold temperatures, providing a reliable source of therapy for all.

Overall, the Hot Water Bottle Bag with Cover is the perfect solution for those in need of comfort and relief. Its BPA free, waterproof, and leakproof design ensures that it is safe and easy to use, while its classic design and customizable options make it a great gift for loved ones.
