Product Description

Feed and Hand Heating Bag Description: [Silicone JinYu Industrial .pdf](#)

This hot water bottle is made of BPA-free silicone, which is a safe and durable material that can withstand high temperatures without cracking or leaking. The screw cap closure ensures that the water stays inside the bottle and prevents any leaks or spills. Our Classic Silicone Hot Bag is a great option for those who prefer a more traditional and simple design. It is large enough to cover a large surface area, making it perfect for hot compresses and heat therapy. Whether you need to soothe sore muscles, relieve menstrual cramps, or just want to warm up on a chilly night, this hot water bottle is a great choice. In addition to its functional benefits, our Classic Silicone Hot Bag is also fully customizable. You can choose to have your own logo or design printed on the cover, making it a great promotional item for your business or a unique gift for someone special. Overall, our Microwaveable Hot Water Bottle with Cover is a must-have for anyone looking for a reliable and durable hot water bottle for use at home or on-the-go. With its classic design, BPA-free silicone material, screw cap closure, and customizable options, it is a product that is sure to meet all of your needs and exceed your expectations. Get yours today and experience the soothing and comforting benefits of our Hot Water Bottle Bag!
