Product Description

Feeder Warmer Description:[Silicone JinYu Industrial .pdf](#)

The water bottle bag is made of food-grade silicone, which makes it safe for use and durable. The material composition of the water bottle ensures that it can withstand high temperatures and can be used for both hot and cold therapy. The water bottle's design style is fashionably modern, making it a stylish accessory for any home.

The water bottle bag weighs 220g, making it easy to carry around and use. The soft fleece cover adds an extra layer of comfort, making the water bottle bag a comfortable and soothing solution to different aches and pains.

The Hot Water Bottle Bag is ideal for menstrual cramps, as it provides soothing warmth to the lower abdomen, which helps to ease the pain. It is also an excellent hot water bag for sleeping, as it can provide warmth and comfort during cold nights. The water bottle's classic design and material composition make it a reliable and long-lasting solution for anyone seeking a hot water bag for therapy or relaxation.
