Product Description

Hot Water Bottle for Hot and Cold Compress Description: [Silicone JinYu Industrial .pdf](#)

Weighing only 220g, this silicone hot bag is lightweight and easy to carry with you wherever you go. It features a screw cap closure type, ensuring that the water stays securely in the bag without any leaks.

The mini hot water bag is perfect for warming your hands and feet during the chilly winter months. It is also a great tool for relieving pain and discomfort associated with menstrual cramps or other body aches.

Our small leak-proof hot water bottle comes with a removable cover, making it easy to clean and maintain. The cover also adds an extra layer of insulation, ensuring that the water stays hot for longer.

This 2 pack 2L thickened leakproof hot water bag is made from high-quality silicone material, ensuring that it is durable and long-lasting. It is also easy to use, simply fill it with hot water and enjoy the warmth.

Overall, our Hot Water Bottle with Cover is a must-have for anyone looking for a convenient and effective way to relieve pain and stay warm during the winter months. Order yours today and experience the benefits for yourself!

Applications:

If you're looking for a reliable and effective way to relieve pain, this hot water bottle bag is a great option. The thickened leakproof design ensures that the hot water stays in the bag and doesn't leak out. This makes it perfect for people with arthritis, menstrual cramps, and other types of pain. You can also use it to warm your hands and feet during cold weather.

The JY JYP5898 Silicone Hot Bag is also great for people who want to keep warm. The waterproof design ensures that you stay dry and cozy even on the coldest days. You can use it to warm up your bed, your car seat, or any other place where you need some extra heat.

The tastless feature makes it safe for all the family.

This hot water bag is perfect for a wide range of scenarios. You can use it at home, in the office, or even when you're camping. The knitted cover helps to retain heat and adds a stylish touch to the hot water bottle. You can choose from a variety of colors, including red, blue, pink, yellow, and colorful.

The JY JYP5898 Silicone Hot Bag is certified by the FDA and LFGB, ensuring that it meets the highest standards of safety and quality.

It's made in China and comes with a minimum order quantity of 500pcs. The price is negotiated based on your order quantity, and the packaging details are in an opp bag. The delivery time and payment terms are also negotiated based on your needs. With a supply ability on stock, you can be sure that you'll get your hot water bottle with knitted cover when you need it.

Order your 2 pack 2L thickened leakproof hot water bags for pain relief and hand & feet warming today and experience the comfort and convenience of this amazing product!
