Product Description

Hand Feeder Warmer Description:[Silicone JinYu Industrial .pdf](#)

This hot water bag is made from high-quality materials that are BPA-free and tasteless, ensuring that the water inside the bag remains safe to use. The cover of the bag is also made from a soft and comfortable material that keeps the heat or cold from the bag evenly distributed. The cover is also removable and washable for easy cleaning.

The Hot Water Bottle with Cover is perfect for a variety of uses. It can be used as a hot water bag for sleeping, helping to keep you warm and cozy all night long. It can also be used as a cold compress to help reduce swelling and inflammation. The 2-liter capacity of the bag ensures that it can hold enough water to provide relief for a long period of time.

The classic design of the Hot Water Bottle with Cover makes it a timeless product that is sure to last for years to come. The sturdy construction of the bag ensures that it can withstand regular use without any wear and tear. The screw cap closure ensures that the bag stays securely closed, preventing any leaks or spills.

In conclusion, the Hot Water Bottle with Cover is a high-quality and versatile product that is perfect for anyone in need of a hot or cold compress. Its classic design, BPA-free and tasteless materials, and screw cap closure make it a reliable and long-lasting option for staying warm or reducing inflammation. So if you are looking for a hot water bag for sleeping or a 2-liter water bag for hot and cold compress, the Hot Water Bottle with Cover is the perfect choice!
