Support and Services:

Our Hot Water Bottle Bag product is designed to provide comfort and relief from aches and pains. To ensure optimal performance, we recommend the following technical support and services:

Regularly inspect the product for any signs of wear and tear.

Always use hot water that is not boiling to fill the bottle.

Do not overfill the bottle as this may cause it to burst.

Avoid direct contact with skin and always use a cover or towel to prevent burns.

If the product is damaged, stop using it immediately and contact our customer service for assistance.

We take pride in our product and are committed to providing excellent customer service. If you have any questions or concerns, please do not hesitate to contact us.
