## Product Description

### Silicone Pencil Box

A versatile and stylish round-shaped storage solution designed for organizing stationery, makeup items, and small essentials. Made from high-quality food-grade silicone, this lightweight (110g) pouch offers durability and flexibility with reinforced stitching for long-lasting use.

#### Product Overview

The Silicone Pencil Box combines modern elegance with practical functionality. Measuring 14.5x11x4cm, it provides ample space for pens, pencils, markers, erasers, and other stationery while remaining compact enough for bags and drawers. The unique round shape enhances accessibility and organization.

#### Key Features
